

Edwardstown Photographic Club
File Naming for End of Year Digital Competitions

A CODE to indicate the category entered must appear at the start of each filename. Number your entries from 1 to 4 (or 1 to 6 in the case of Open or 1 to 2 in the case of Photo Essay) after the CODE (see below).

Note: For end of year competitions, no distinction is made between Open and Advanced workers. Therefore the grading code used in monthly competitions (O or A) is not required.

Note: Entries must be submitted by the dates below on a USB drive (preferably a named USB drive that can be left) or by emailing to Keith Seidel with separate emails for each of the sections (ie PJ, PE, AP, O, P, N, A &C).
